

GREATER FLEXIBILITY FOR ALL YOUR TEST & MEASUREMENT NEEDS

At **CELEMETRIX**, we understand your frustration when it comes to the acquisition of test equipment.

As such, we have teamed up exclusively with **Electro Rent**, the world's largest test and measurement service provider, to offer Australian & New Zealand customers with a comprehensive, vendor neutral range of test equipment.

CELEMETRIX now offers a superior range of high performing rental assets at cost-effective rates, allowing you to effectively manage your budget and productivity outcomes.

Whether it be short-term, long-term or rent-to-own options you are after, **CELEMETRIX** provides you with greater flexibility and financially savvy solutions to optimise your business needs.
